## **NHRA: Plombco Becomes Official Wheel Balancing Weight of Gray Motorsports and Sponsor of Pro Stock Competitor Shane Gray**

**VALLEYFIELD (Quebec), July 12, 2016** – PLOMBCO is proud to announce their sponsorship of Gray Motorsports and NHRA Pro Stock driver Shane Gray.

Plombco manufactures the highest quality clip-on and adhesive wheel balancing weights in the industry. “It’s great to welcome Plombco to the Gray Motorsports team. As we continue to find more performance, keeping our race tires balanced is vital to the performance and the Plombco adhesive wheel weights definitely do the trick” said Shane Gray.

“We continue to grow our wheel balancing weight products to meet the demands of the industry. Partnering with top notch organizations like Gray Motorsports and Shane Gray is another way to show how well our wheel weights perform under extreme conditions” said Plombco President, Martin Lussier.

To learn more about Plombco and their exclusive products visit [www.plombco.com](http://www.plombco.com). Be sure to follow Shane Gray and the Gray Motorsports team as they compete in the NHRA Mellow Yellow Drag Racing Series.

### **About Plombco**

Plombco is a privately held company located in Valleyfield, Québec, Canada. Founded in 1985, Plombco has grown to become one of the largest manufacturers of wheel balancing weights in the world. With quality-minded employees, the company produces over one million units per day in its two highly automated facilities. Plombco products are sold to OEM’s and aftermarket customers across the Americas, Europe and Asia. They are the most innovated and comprehensive product lines in the industry to meet virtually any balancing needs. To learn more about Plombco, visit [www.plombco.com](http://www.plombco.com).

### **About Gray Motorsports**

Gray Motorsports is owned by avid motorsports enthusiast and multi-category racecar driver Johnny Gray and is based in Denver, N.C. The astute businessman who hails from Artesia, N.M., made his first start in NHRA Pro Stock in 1993 and was immediately captivated by the complex and demanding nature of the powerful factory hot rods.
