For immediate release

### NEW Truck Rim Gauge by Plombco

**VALLEYFIELD (Quebec), July 6, 2015** – PLOMBCO is proud to introduce a new Truck Rim Gauge. Finding the right wheel weight when working on trucks has always been a challenge for technicians due to the variety of rim flanges. This new tool will allow technicians to quickly determine the appropriate wheel weight every time.

To order please call our customer service department at 1 800-611-7074 | **Part number 45008**

#### About Plombco

Plombco is a wheel weight manufacturer that has developed the most innovative and comprehensive product lines in the industry. With quality-minded employees, the company produces over one million units per day in its two highly automated facilities. Plombco products are sold to OEM's and aftermarket customers across the Americas, Europe and Asia. Plombco is also the maker of the patented Plasteel® premium wheel weights for passenger cars and light trucks. Plasteel® costs less than zinc and lead wheel weights.
