For immediate release

Launching of StickPro wheel cleaner

VALLEYFIELD (Quebec), June 28, 2016 – Plombco is dedicated to finding new solutions for quick & easy balancing and having a clean wheel is the key to success. Plombco has developed a new wheel cleaner product that will help you to achieve that goal every time.

In addition to improving adhesive wheel weight adherence, StickPro easily cleans the rims and removes brake dust & grease without the need for any use of water. It is suitable for alloy, steel, aluminum, chrome or varnished wheels and even works on plastic wheel covers, when used as directed.

To place your order for the new StickPro Wheel Cleaner call Plombco's team today at 1-800-611-7074! Learn more about the installation instructions by visiting www.plombco.com.

About Plombco

Plombco is a privately held company located in Valleyfield, Québec, Canada. Founded in 1985, Plombco has grown to become one of the largest manufacturers of wheel balancing weights in the world. With quality-minded employees, the company produces over one million units per day in its two highly automated facilities. Plombco products are sold to OEM's and aftermarket customers across the Americas, Europe and Asia. They are the most innovated and comprehensive product line in the industry today focused on meeting any balancing need. Plombco is also the maker of the patented Plasteel® premium wheel weights for passenger cars and light trucks. No other manufacturer offers this patented product. Automotive Service Professionals have been turning to Plombco for 30 years for all their wheel weight and balancing needs. To learn more about Plombco, visit www.plombco.com.
