Plombco redesigned website

VALLEYFIELD (Quebec), October 30, 2015 – Plombco is excited to announce the overhauling of its website www.plombco.com! The newly redesigned website offers fast and easy access to essential information along with new innovated tools to help our customers grow their business.

The new site offers enhanced search capabilities allowing for quick and easy access to information from anywhere on the site and will be available in English with a French version coming in December 2015. Other features include: - Interactive application charts - Training videos - New FAQ page - Plus so much more!!

Customers have been turning to Plombco for 30 years for all there wheel weight and balancing needs. To learn more about Plombco and our products please visit www.plombco.com.

About Plombco

Plombco is a wheel weight manufacturer that has developed the most innovative and comprehensive product lines in the industry. With quality-minded employees, the company produces over one million units per day in its two highly automated facilities. Plombco products are sold to OEM's and aftermarket customers across the Americas, Europe and Asia. Plombco is also the maker of the patented Plasteel® premium wheel weights for passenger cars and light trucks. Plasteel® costs less than zinc and lead wheel weights.
