Pep Boys Selects Plombco as Preferred Wheel Weight Vendor

VALLEYFIELD (Quebec), (September 25, 2015) – PLOMBCO has become the wheel weight vendor for all Pep Boys locations in North America.

Plombco is the leader of innovation in the wheel weight industry with products like Plasteel®. “Plasteel® premium wheel weights with their outstanding corrosion resistance and scratch-less feature protects our customer’s wheels and are easy for our technicians to install, therefore providing a good value for our customers

About Plombco

Plombco is a privately held company located in Valleyfield, Québec, Canada. Founded in 1985, Plombco has grown to become one of the largest manufacturers of wheel balancing weights in the world. With quality-minded employees, the company produces over one million units per day in its two highly automated facilities. Plombco products are sold to OEM’s and aftermarket customers across the Americas, Europe and Asia. They are the most innovative and comprehensive product line in the industry and able to meet virtually any balancing needs. To learn more about Plombco, visit www.plombco.com.
