### JS Products Selects Plombco as Preferred Wheel Weight Supplier

**VALLEYFIELD (Quebec), (September 4, 2015)** – PLOMBCO has become the wheel weight vendor for JS Products, a leading provider of back shop automotive products. Plombco is the leader of innovation in the wheel weight industry with products like Plasteel®. “Plasteel® premium wheel weights with their outstanding corrosion resistance and scratch-less feature protects wheels and are easy for technicians to install, therefore providing a good value for our customers” said Ed Jones, Vice President of Back Shop Solutions for JS Products.

“JS Products has been providing quality tools, products and solutions to its customers since 1986 and we are honored that they have chosen Plombco as their preferred wheel weight supplier,” says Martin Lussier, Plombco President.

#### About Plombco

Plombco is a privately held company located in Valleyfield, Québec, Canada. Founded in 1985, Plombco has grown to become one of the largest manufacturers of wheel balancing weights in the world. With quality-minded employees, the company produces over one million units per day in its two highly automated facilities. Plombco products are sold to OEM's and aftermarket customers across the Americas, Europe and Asia. They are the most innovated and comprehensive product line in the industry today focused on meeting any balancing need. To learn more about Plombco, visit [www.plombco.com](http://www.plombco.com).
